

Curriculum Vitae

Last Updated: October, 2025

Personal History

First Name: Maryam

Last Name: Momeni

Academic Rank: PhD, Associated Professor

Office Address

School of Nursing and Midwifery, Guilan University of Medical Sciences, Shahid Beheshti Highway, Daneshgah Street, Rasht, Iran.

Postal Code: 41469-39814

Phone: +98 13 32555056-8

Fax: +98 13 32550097

E-mail: momeni65@gmail.com

E-mail:

ORCID:0000-0002-2473-1778

Research Interests

Chronic Diseases (Diabetes, Cardiac Diseases, ...), Oncology Nursing, Geriatric Nursing, Nursing Education, Grounded theory, Complementary and Alternative Medicine, Content Analysis.

Scientific Position

1. Associated Professor, School of Nursing & Midwifery, Guilan University of Medical Sciences, 2025– up to now.

2. Assistant Professor, School of Nursing & Midwifery, Qazvin University of Medical Sciences, 2011 – 2025.

Educational History

1. PhD in Nursing, School of Nursing and Midwifery, Iran University of Medical Sciences, Tehran, Iran; 2016 - 2020.
2. Master of Sciences in Nursing Education, School of Nursing and Midwifery, Guilan University of Medical Sciences, Rasht, Iran; 2009 – 2011.
3. Bachelor Sciences of Nursing, Shahid Beheshti School of Nursing and Midwifery, Guilan University of Medical Sciences, Rasht, Iran; 2004 – 2008.

Work Experiences

1. Faculty Member, Guilan University of Medical Sciences, Rasht, Iran, 2025-up to now
2. Faculty Member, Qazvin University of Medical Sciences, Qazvin, Iran, 2011-2025
3. Head of Nursing Department (Oct 2020 to Dec 2022)
4. Member of the Postgraduate Education Council, Qazvin, Iran.
5. Counselor of Nursing Students (2021- up to now)

Awards & Honors

1. Top Nursing Student, Nursing Organization of Islamic Republic of Iran 2008
2. Top Nursing Student, President of Guilan University of Medical Sciences 2008.
3. Appreciation from Dean of Guilan University of Medical Sciences for ranked first in the Bachelor of Nursing 2008.
4. Appreciation from Dean of Guilan University of Medical Sciences for ranked first in the Master's Degree in Nursing 2010.
5. Top writer, the 10th International Congress of Gynecology and Midwifery of Iran and encouragement from the President of the Iranian Gynecology and Midwifery Association and the Secretary of the 10th International Congress of Gynecology and Midwifery of Iran 2013.
6. Top Assistant Professor, Qazvin University of Medical Science 2022.
7. Top nurse Qazvin province 2022.
8. Appreciation Letter from Dean of Qazvin University of Medical Sciences due to creation of a Master's Degree in Emergency Nursing 2022.

Thesis

Supervisor/ Advisor

1. Maryam Momeni, Farnoosh Rashvand, Marzieh Khatooni, Iraj Arminpor. Survey of predictors of turnover intention in nurses working in the emergency departments of hospitals of affiliated to Qazvin University of Medical Sciences. Master of Thesis (Supervisor).
2. Maryam Momeni, Sima Mohebbi, Marzieh Khatooni, Ahad Alizadeh. Investigating the effect of Pranayama breathing exercise on symptom burden in women with breast cancer

- under chemotherapy referred to hospitals affiliated to Qazvin University of Medical Sciences. Master of Thesis (Supervisor).
3. Marzieh Khatooni, Shirin Rajabi, Maryam Momeni, Mahdi Ranjbaran. Investigating the effect of telenursing on self-efficacy and health status among patients with chronic obstructive pulmonary disease referred to hospitals affiliated to Qazvin University of medical sciences. Master of Thesis (Advisor).
 4. Ameneh Motallebi, Zahra Mahmodi, Maryam Momeni, Fatemeh Mohamadi. Survey of predictors of older adults nursing care in nurses working in Teaching Hospitals affiliated to Qazvin University of medical sciences. Master of Thesis (Advisor).
 5. Farnoosh Rashvand, Sana Motalebi Far, Maryam Momeni. Investigating the effect of acupressure on the severity of urinary incontinence in elderly women with urinary incontinence. Master of Thesis (Advisor).
 6. Marzieh Khatooni, Mirmeysam Khalilzadeh, Maryam Momeni, Ahad Alizadeh. Investigating the predictors of adherence to nursing clinical practice ethical codes among emergency department nurses of hospitals affiliated to Qazvin University of Medical Sciences in 2024. Master of Thesis (Advisor).
 7. Maryam Momeni, Mohammad Noori Ghanli, Ameneh Motallebi, Farnoosh Rashvand. Survey of predictors of self-neglect among community dwelling older adults in Qazvin city. Master of Thesis (Supervisor).
 8. Maryam Momeni, Maryam Keramatkar, Hasan Behzadpoor, Zahra Hosseinkhani. Investigating of predictive factors of attitude toward own aging among community-dwelling older adults in Qazvin City. Master of Thesis (Supervisor)
 9. Hamideh Hakimi, Hossein Shabani, Maryam Momeni, Ahad Alizadeh. Effect of distance education based on illness perception on the symptom-management self-efficacy in women with the breast cancer undergoing chemotherapy. Master of Thesis (Advisor).
 10. Hamideh Hakimi, Maryam Momeni, Narges Mohammadi, Ahad Alizadeh. Investigating the predictive value of the GAP index on the outcomes of trauma patients in the pre-hospital emergency of Qazvin city in 2024. Master of Thesis (Advisor)
 11. Maryam Momeni, Akram Chopani, Hamideh Hakimi, Neda Mohammadi. Survey of predictive role of alarm fatigue on missed care in nurses working in intensive care units of Qazvin province medical centers. Master of Thesis (supervisor)

Research Proposals

1. Maryam Momeni, et al. Explanation of solutions to compensate for the challenge of shortage of nurses and equipment during crisis: a qualitative study.
2. Maryam Momeni, et al. Effect of Objective Structured Clinical Examination pre-internship exam on clinical performance and clinical self-efficacy among undergraduate nursing students in Qazvin University of Medical Sciences 2023.
3. Maryam Momeni, et al. Assessing of association of chronotype, social jetlag, sleep quality and academic burnout in nursing students in Qazvin University of Medical Sciences.
4. Maryam Momeni, et al. The Coping Process with COVID 19 Crisis among Nurses: a Grounded Theory Study.

5. Maryam Momeni, et al. Relationship of Fear of Hypoglycemia and Treatment Satisfaction among Patients with Type 2 Diabetes Treated with Oral Anti-hyperglycemic Agents.
6. Maryam Momeni, et al. Perception of nurses about factors affecting the emergence and adherence to ethical behaviors in encounter with Covid-19: Qualitative study.
7. Maryam Momeni, et al. Survey of relationship between symptom burden and the use of complementary and alternative medicines among patients under hemodialysis.
8. Maryam Momeni, et al. Survey of the association between loneliness and social isolation with metabolic control indicators in elderly patients with diabetes mellitus.
9. Maryam Momeni, et al. Survey of Relationship between food insecurity and frailty among community-dwelling older adults in Qazvin city.
10. Maryam Momeni, et al. Perception of nurses about workplace violence in hospitals affiliative to Qazvin University of Medical Sciences: A qualitative study.
11. Maryam Momeni, et al. Investigating the effect of pranayama breathing exercise on symptom burden in women with breast cancer under chemotherapy referred to hospitals affiliated to Qazvin University of Medical Sciences.
12. Maryam Momeni, et al. Assessing of Relationship between Spiritual Health, religious coping and adherence to treatment in hemodialysis patients referred to hospitals affiliated Qazvin University of Medical Sciences.
13. Maryam Momeni, et al. Investigation of predictors of self-neglect among older adults living in Qazvin city in 2023.
14. Maryam Momeni, et al. Investigating the Predictors of Turnover Intention in Nurses Working in the Emergency Departments of Hospitals of affiliated to Qazvin Unibversit of Medical Sciences 2023.
15. Maryam Momeni, et al. Investigating the Predictive Role of Alarm Fatigue on Missed Care in Nurses Working in Intensive Care Units of Qazvin Province Medical Centers in 2025.
16. Survey of predictive role of professional identity, Sense of Belonging and academic burnout on intention to drop-out among nursing students.
17. Maryam Momeni, et al. Investigation of the relationship between perceived professional dignity and professional identity in nurses working in hospitals affiliated to Qazvin University of Medical Sciences in 2025.
18. Maryam Momeni, et al. Investigating the Relationship between Clinical Status, Malnutrition, and Frailty in Geriatric Patients with Chronic Obstructive Pulmonary Disease.
19. Maryam Momeni, et al. Investigating the predictive value of the GAP index on the outcomes of trauma patients in the pre-hospital emergency of Qazvin city in 2024.
20. Maryam Momeni, et al. Effect of distance education based on illness perception on the symptom-management self-efficacy in women with breast cancer undergoing chemotherapy.
21. Maryam Momeni, et al. Communication breakdown in Alzheimer patients: an evolutionary concept analysis.
22. Maryam Momeni, et al. Investigating the predictors of adherence to nursing clinical practice ethical codes among emergency department nurses of hospitals affiliated to Qazvin University of Medical Sciences in 2024.

23. Maryam Momeni, et al. Investigating the clinical self-efficacy and its relationship with the motivation about select of choosing the field of study and the quality of clinical education in nursing students of Qazvin University of Medical Sciences in 2024.
24. Maryam Momeni, et al. Inter professional education in nursing education: a dimensional concept analysis.
25. Maryam Momeni, et al. Effect of acupressure on urinary control of older women with urinary incontinence.
26. Maryam Momeni, et al. Investigating the effect of listening to the Holy Quran on the length of transition from gavage feeding to the first oral feeding, weighing and the length of hospitalization of premature infants in the neonatal intensive care unit.
27. Maryam Momeni, et al. Psychometric assessment of the Nurses' Quality of Life Scale in Iran.
28. Maryam Momeni, et al. An Investigation into the relationship between discrimination in the work environment and moral disengagement in nurses working in Qazvin medical educational centers in 2023.
29. Maryam Momeni, et al. Investigating the effect of telenursing on the self-efficacy and health status of patients with chronic obstructive pulmonary disease referring to the hospitals affiliated to Qazvin University of Medical Sciences.
30. Maryam Momeni, et al. The Experiences of Professional Commitment of nurses in context of COVID-19 Crisis: A Qualitative Study.
31. Maryam Momeni, et al. The association between caffeine consumption and dysmenorrhea: systematic review and meta-analysis.
32. Maryam Momeni, et al. Effect of dry in primary dysmenorrhea in students living in dormitories in Qazvin University of Medical sciences.
